Chris, May I have this rushed? Not enough hits were collected from the geneseq database and I want to interf search for allowance.

Thanks!

For 10/699,393, pls search SID 3 against the A_Geneseq_21 and N_Geneseq_21 databases only.

Collect the top 100 hits from each database.

Also, please interreference search:

SID 3 against the pending NT and AA databases.

Let me know if you have any questions.

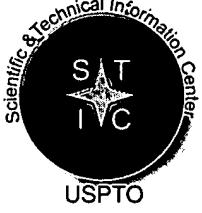

Thanks
